NOTICE

The Goldfields Land and Sea Council ('GLSC') advises that it is business as usual for the GLSC. Contrary to mis-information from some parties suggesting otherwise, we continue to be funded by the Commonwealth as a native title service provider to perform all the functions of a native title representative body in the Goldfields region.

Soon we will be advertising for meetings to progress native title claims in the north of our region. Community members and mining companies are invited to contact GLSC for assistance and further information on telephone 08 9263 8700.
